LIAM MCDONAGH

Trustee

Job Role: Head of Product for an Ed-Tech Company

Experience:

Whilst spending the last 8 years working for one of the countries largest Ed-tech companies, Liam has managed support of all the customers using the software to return their data returns, take payments and provide communications to parents. As well as managing the design and roadmaps of products such as Teachers2Parents and SchoolMoney used in thousands of schools across the country.

Liam has experience of being a member of the SLT, working with schools to assure GDPR compliance and providing software solutions to schools.
