**NAME: Liz Shears Warren**

**ROLE: Trustee, Vice Chair, Trust Board & Chair, School Improvement**

Education Consultant, Liz moved from the role of CEO of the Leicester Primary Partnership, the partnership of the 83 state-funded Primary Schools in Leicester City. This work involved promoting and facilitating both formal and informal arrangements for school improvement as well as seeking solutions to barriers for members through engaging with Local and National government. Prior to this, she had Headships at three schools, serving communities that ranged from the deprived to the privileged. She was seconded to lead collaborative efficiency in school clusters during this period. Her career in teaching and senior leadership in three different authorities had a strong focus on inclusion, both at school and Local Authority level. As a self-employed consultant, recent projects have included strengthening governance in specific schools and leading strategic work on financial efficiency in a larger group of schools.
